

Four Winds Farm
2023 LAMB SEASON - RESERVE NOW

Four Winds Farm is now offering small flock, pasture-raised lamb for sale. We raise our sheep with care, passion, and respect, adhering to the Principles of Five Freedoms for Animal Welfare. We humanely harvest on the farm with a USDA-certified mobile facility to minimize stress and enhance the natural flavors of the meat.

We currently have two heritage breeds for sale. Cheviots, from England, are known for “well-filled, meaty chops and a broad loin of superior quality.” Their meat is juicy and tender and a favorite of butchers, restaurateurs and home cooks. Tunis, originally from Tunisia, are a fat-tailed breed that is one of the oldest breeds of livestock developed in America. They have an excellent meat to bone ratio and produce succulent, flavorful meat.

Price: \$2.25/lb, live weight, payable to Four Winds Farm. Weight will be 80-100 lbs. Available as whole or half a lamb.

Processing Fee: \$250 per lamb or \$125 per half lamb, packaged to your specifications. Reduced fee of \$100 if animal is left whole. Fee is payable directly to our processor after your order is confirmed. More details will be provided at time of your order confirmation.

Pick-up & Delivery: Lamb will be ready for pick-up the week of Oct 16. You may pick up at Four Winds Farm or from Outdoor Addiction at 10345 County Road ID in Blue Mounds. Delivery is available in Dane County at a flat rate of \$20 per address.
